Come and join us in learning Chinese at Logan!

“This country (China) will have enormous influence in the new century...For those of you sitting in conference rooms drawing pie charts of the competitive landscape, leave half the pie open for the Chinese. There are companies in China today you’ve never heard of that will emerge as competitive giants in the next decade, threatening your very existence.”

*--Jack Welch, former CEO of General Electric,
from his book “Jack, Straight from the Gut”.*

- ✓ The most spoken language of the world with 1.3 billion population being one-fifth of the world’s population.
- ✓ China is an awakening giant that will have a huge impact on the U.S. as potential consumers, suppliers and competitors. China has the fastest growing economy in the world. With its entry into the World Trade Organization, China expects its growth rate to accelerate.
- ✓ To study Chinese you need to use analytical, interpretive, math and verbal skills, which ultimately sharpens all skills in all subjects. These skills will make you more competitive in the job market.
- ✓ Gain new perspectives on English and American culture by learning about another culture and language.
- ✓ The influences of Chinese culture go beyond the borders of China. The Chinese language is used in China, Taiwan, Singapore and Chinese Communities throughout the World.
- ✓ With a solid base of high school Chinese, you’ll have a jump over other students at the college level. Give yourself a competitive edge. Universities who offer a Chinese language program include all Ivy League Schools, Stanford, Duke, and all UC campuses.

Level 1 (Ni Hao 1) Introductory UC certified a-g course)	Level 2 (Ni Hao 2) Elementary UC certified a-g course)	Level 3 (Ni Hao 3) Intermediate UC certified a-g course)	Level 4 (Ni Hao 4) Advanced/Honors (UC certified a-g course)	AP Chinese Language and Culture (Harvest) (Certified by both UC and the College Board)
All the levels of Mandarin Chinese are UC certified a~g courses. Each course has its companion course materials such as textbook, workbook, CD ROMS, review games, plus rich online resources and authentic supplementary materials. Chinese cultural introduction and cultural related activities are inseparable key components in each level of Mandarin Chinese. Various cultural topics are introduced and discussed extensively in each related unit.				
It introduces Chinese language (writing and pinyin systems) & culture and aims to teach communication in both spoken and written Chinese. The objectives are to enable students to use Chinese in various settings. At the end of this course students will be able to write & type a letter to Chinese pen-pals and to carry on a conversation on personal details such as name, age/birthday, grade level, zodiac sign, and nationality, family, pets, friends, favorite sports and favorite foods.	It aims to teach students skills in the use of more advanced Chinese in a wider range of situations. It also reinforces the language and cultural elements introduced in NH1. At the end of this course, students will be able to talk about birthdays, daily routines, house plans, clothing, weather, going shopping, visiting Chinese families, making phone calls, going to restaurants. They can also express an opinion, arrange an outing and writing a message, a note or a diary entry.	Its language structure is an expansion from NiHao1& NiHao 2. By the end of the course, students should be able to use more extended language to talk and write about the following: <ul style="list-style-type: none"> ▪ more details about school life ▪ modes of transportation ▪ leisure-time activities ▪ birthday celebrations ▪ illness and ▪ Traveling. They should be able to express opinions, comments and concerns in Mandarin Chinese.	It aims to help students continuously develop fluent listening, speaking, reading and writing skills. Practice presenting thoughts and making interpretation about various topics, such as <ul style="list-style-type: none"> ▪ school life ▪ after-school life ▪ technological world ▪ part-time job ▪ relationships, ▪ environmental issues ▪ Social issues etc. Journal writings, letter writings, and simple essay writings are typical exercises. The reading of news reports in the newspapers is a constant classroom exercise. Poetry and literature are introduced at this level.	The main goals of AP Chinese Language and Culture course are to deepen students' immersion into the Chinese language and culture of the Chinese speaking world. The AP course prepares students to demonstrate their level of Chinese proficiency across the three communicative modes: interpersonal, interpretative, and presentational, and the five goal areas: communication, cultures, connections, comparisons, and communities. This course is organized around the six thematic units: School & family, Festival & Customs, Travel & Transportation, People & Society, Famous People & History, and Literature & Arts.
